VIEWING PLATFORM

There are viewing platforms by the Main Stage and in The Big Top tent. While the platforms are of a relative size for the number of guests we are expecting, spaces are limited and operate on a first come first served basis. We ask that at busy times that users only invite one guest onto the platform.

Please ensure you have collected a wristband from the Info + Welfare Point (located inside entrance to arena).

PARKING

There is a blue badge parking area in the general car park, this does not need to be pre booked but please have your

blue badge on display. Please follow road signs for general parking.

ACCESSIBLE CAMPSITE

The accessible campsite is for tent camping only. Each accessible camping pitch is 5m x 7m. We understand that some of you may like to camp with your friends and family, as long as your group fits into the pitch you may invite them to join you.

Accessible toilets & shower are located within the campsite.

Camping facilities provided are based on the number of accessible camping tickets purchased. If you have not purchased an accessible camping ticket

and wish to gain access to the accessible
campsite, please contact us:
